.....Space for the artisan

# ABOUT US

Gondola Corporation Limited is a craft producing (manufacturing) and exporting organization that has expanded its business throughout the world. The organization promotes craft products through enhancing the skills of rural artisans in Bangladesh. Gondola Corporation exports bag & basketry items made from fabric, jute, seagrass, kaishagrass, cane, bamboo, date and palm leaf, areca leaf and hogla fiber, as well as terra cotta, clay items and other decorative products, from 2010.

Artisans are to bring under training program utilizing their know-how with the mix of professional designers in order to produce quality items for export in the international markets. Product produced by disadvantaged rural artisan's family to attain self - sufficiency and to protect and market traditional craftsmanship.

Flow of orders from the buyers as well as their suggestions and advices on design innovations continued are very instrumental for sustenance and growth of business. The company is committed to the principles of fair trade and artisan welfare.

Gondola Corporation always tries to ensure adequate health and safety measures of the employees and producers that are compatible with the safety standards, which is eco-friendly.

[www.gondolacorp.com](http://www.gondolacorp.com)

We maintain our sterling status by maintaining international productivity levels and leveraging economies of scale. We have been providing financial support by giving job opportunity, to literate and illiterate women by weaving of baskets and increase their standard of living.

We are capable to export within very short period of time after completion of production because we have a great number of sourcing of all kinds of raw materials.

Our motto is quality, delivery and competitive price.

# ARTISAN'S VOICE

Mrs. Shamoly Debnath  
Producer

Shamoly from the Western piece of Bangladesh who influences basket, bag crates for Gondola Corporation (GC) Crafts. She used to be just a housewife once, yet now her solid constant container weaving hands makes her the main profitable winning individual of her family.

Shamoly loved bin making from her adolescence. In any case, who realized that this ability of her would one day help her to encourage her entire family. She married when her age eighteen years. But after four years marriage she lost her husband. After dead her husband she come back her dad house with baby boy. To start with she couldn't choose what to do. At that point she recollected her youth side interest and began to influence to leaf crates. She joined a GC Crafts maker aggregate there, and began to influence basket from GC Crafts consistently.

Presently Shamoly has beaten the dim night of her distress with her those two relentless hands and her containers which she makes for GC Crafts. She gains around 15000.00 Taka (US \$ 170.00) every month now and staying with her old father (father age-75) . She take care of her father. She sends her only one boy to class, her child is in university.

## ARTISAN'S VOICE

Mr. Zubaiur Hossain  
Hogla (Seagrass) Basket Artisan

Gondola Corporation (GC) teaches me a lot about basket product which have brought so many changes to my life. I am now able to create my own life, and to earn a consistent income. I am so happy to be a part of inauguration program of Gondola Corporation. Hope through Gondola I will receive good orders and will earn more money than I received before.

# ARTISAN'S VOICE
